

GLOBAL BUSINESS NETWORKING EVENT

This networking event provides the opportunity to connect with MSU faculty and staff, student participants of the German Fulbright Summer Institute, Michigan business leaders, and members of the German American Business Council of Michigan. Participants will learn more about the business climate in Michigan and Germany, engage with each other to find mutual interests, and lay the foundations for future collaborations. This event is organized by the MSU Visiting International Professional Program (VIPP), the German-American Business Council of Michigan (GABC), and the MSU International Business Center (MSU IBC/CIBER). The event will feature a video welcome message from MSU Provost Dr. Thomas D. Jeitschko.
